

EDGE SCHOOL BASKETBALL

FIND YOUR FIT SENIOR PREP PROGRAM

The Edge prep basketball program is excited to announce an extension to our high performance program. With the pandemic altering the traditional recruitment process for colleges and universities, Edge felt it was important to add a Canadian focused stream to our high performance model. This stream will give those potential student-athletes an opportunity to keep striving to reach their post-secondary student-athlete goals.

Find Your Fit – with the announcement of our senior prep program, Edge School will be offering a full slate of programming for student-athletes. The junior and varsity programs are for Grades 8 through 12, the senior prep program is for senior postgrad students, and our national team program is for any athlete who qualifies. Each program falls under our high performance umbrella, and has their own curriculum focused on team and individual/personal performance. [Click here to apply now!](#)

- Available to graduated seniors looking to pursue U SPORTS and CCAA post-secondary basketball opportunities.
- Edge will enroll the student-athlete in up to three online university classes to be conducted at our institution during school hours. High school upgradable classes can also be an option. Minimum GPA must be sustained to remain in good standing to attend high performance training.
- Daily (Monday to Friday) on court development at Edge facility during school hours with our coaches and skill development team.
- Daily (Monday to Friday) strength and conditioning program built specifically for the athlete by our full-time strength trainers.
- Access to our world class high performance and training fitness center during allotted hours for extra skill development.
- Over 230 on court development hours and 155 high performance strength and conditioning in house at our facility.
- Over 20 hours of team sports psychology sessions with renowned Mental Trainer, Dr. Matt Brown. Individual sessions also included as a member of our HP programming.
- Post-secondary application support and guidance from our academic advisory team.
- Game film created at Edge to be spliced, packaged, and used for recruitment opportunities.
- Canadian university and college recruitment support provided by our basketball staff who have helped place hundreds of student athletes across Canada.
- Travel and compete in two national or international scouted events. All transportation, accommodation, fees, and three meals/day provided (8-16 games).
- Local competition (between 12-20 games).
- Nike gear package.
- This program will coincide with the traditional post-secondary academic calendar, September thru April.
- Program cost – \$11,950
