

APPLICATION

We accept applications on a rolling basis through our online system. To start the application process, please click below. You will need to create an account for yourself which will allow you to save your progress as you work through the forms and upload additional **required documents***

- Your child's birth certificate, Passport or Visa/ Immigration documents
- A copy of your child's most recent report card and a final report card from the previous year
- \$250 application fee which can be sent by e-transfer to accounting@edgeschool.com

ASSESSMENTS

Together with our School Counsellor, teachers, sport directors and coaches we work to ensure that our program is the right fit academically and athletically for your student-athlete. Depending on Grade level and sport focus, these assessments can take different forms. Our Admissions office will guide your family through this process.

INTERVIEW

Once the academic and athletic assessments are completed, families will be contacted to schedule a meeting with a member of our Admissions team. Parent(s) and the prospective student are interviewed together.

ACCEPTANCE

Parents will be informed in writing by email of acceptance. The link to the online tuition contract and other enrollment forms will be forwarded to families at that time.
