Thank You: Jacket Racket/Halloween Costume/Equipment Drive

A big thanks to our Edge Community for the donations of winter jackets, mitts, toques and snow pants. In the end, we had five large garbage bags filled with great quality winter clothing for Jacket Racket to distribute to families in need. We also had a few halloween costumes that we were able to donate!

At the same time, in support of KidSport Calgary and the Flames Sports Bank, our school community also filled four large bins of gently used sporting equipment for kids in need. Thanks for your support of these very worthwhile causes.

Parent Council Thank You

A huge thank you to our Parent Council for their support of Halloween at Edge. They provided treat bags to all of our students and staff. A very nice pick-me-up on a fun day.

Volunteer Thank You

We would like to thank our parent volunteers who have been helping out by providing support for our events (games/tournaments etc.). It is wonderful to have you in the school and helping us to put these events on safely for our students and the spectators. We wouldn't be able to do it without you!

COVID Reminder

As a reminder, please do not send your child to school if they are showing symptoms. The document [“My child is sick, now what?”](#) will help you determine if it is appropriate for your child to come to school.

Weather and Proper Dress

As the weather is getting colder, please ensure that your child is dressed appropriately for the unpredictable weather (even if they are just going from the car to the school). Also, for recess, PE and lunch, our cutoff for going outside is -20 c with the windchill. Proper winter gear is a necessity.

Also, please ensure your child has appropriate indoor runners for the gym and DPC. As the weather turns, shoes that are worn outside tend to track mud and dirt into these spaces and we would like to keep them as clean and safe as possible. Thank you for your help in reinforcing these expectations.
