December Mental Health Focus

We are aware of the toll that the pandemic is taking on the mental health of many in our school community. In order to address this, we will be focusing on mental health supports in a very purposeful way over the next few weeks. Our upcoming professional learning day (Nov. 26) will have a mental health focus; we are hosting a Town Hall on Wednesday, Dec. 1 for our parent community; and we will continue to explore additional ways to help support the mental health of our students in the coming weeks. We look forward to this important work and providing much needed resources for everyone.

November at Edge

Students and staff are encouraged to make a \$5 minimum donation on Wednesday, Nov. 24 in support of Movember and men's health issues such as prostate cancer, testicular cancer and men's suicide. This donation allows students and staff to have a casual day where Edgewear is not required. Those making a donation will also receive a moustache sticker to wear on their mask during the day. In keeping with mental health awareness, casual wear is encouraged to be blue. If we raise \$500, Guss McKinney, our Facilities Manager, will shave off his beard!

Checkpoint #2 – Conference Manager – [Sign in/up here](#)

Our second Checkpoint meeting is coming up on Thursday, Nov. 25. This day is a noon dismissal and the Checkpoint meetings will take place from 1:00 p.m.-5:00 p.m. Checkpoint meetings will not be in person this round, they will be phone meetings or Google Meet meetings, whichever is most convenient for you (**please indicate this in the notes section on Conference Manager**).

Parents will be able to sign up for a total of three conferences. The sign-up for conferences is open on Friday, Nov. 19 at 6:00 p.m. and closes on Monday, Nov. 22 at 6:00 a.m.

***** Please make sure that you provide an email address in the notes (if you would like to have a Google Meet video call or a phone number in the notes if you would like to have a phone interview). *****
