

EDGEWEAR

Edge School Dress Code Policy

At Edge School, our dress code policy requires that student-athletes wear Edgewear (Edge branded apparel) above the waist at all times while in school, or while attending school activities off campus. The Edge School logo must be worn on all upper layers at all times.

Edgewear may only be purchased through our official apparel provider, Big Mountain. Third party knock-off Edgewear or custom made items are not acceptable pieces to wear.

There are no exceptions to this.

Students who are wearing unapproved articles of Edgewear will be asked to change into approved Edgewear items. Headwear is not permitted to be worn in the school (although, religious exemptions will be made).

Please note that basketball, hockey and golf team members have some approved apparel included with their team fees. Approved team apparel items are acceptable Edgewear pieces to wear at school.

We recommend purchasing a minimum of five shirts and your choice of layers for warmth. All students are required to have a polo shirt for formal school occasions such as assemblies and guest speakers. We also recommend two lockers tees for Phys Ed and the DPC.

[You can find the online store to purchase these items here.](#) Purchases are shipped directly to your home address, and you are able to order Edgewear throughout the school year. Twice a year, we also offer limited edition pre-order clothing options in addition to our stocked Edgewear choices.
