AGM (June 2 @ 7:00 p.m.)

Our Annual General Meeting is occurring on Thursday, June 2nd at 7:00 p.m. in the Edge Learning Commons. We would love to have representation at the AGM from as many families as possible. We are looking forward to our first in person meeting with parents in over 2 years! In case you are unable to attend in person, we have provided a Microsoft Teams link so that you can join the presentation virtually. If you are attending online, please join the meeting using [this link](#). If you are attending in person, [please RSVP using this link](#) by Wednesday, June 1 at noon.

In addition to finalizing the business of Parent Council (year in review, financials and elections), the school administration and the Edge School Society Board Chair (Paul Charron) will present information about the 2021-2022 school year and will provide an outlook on future plans for the school.

Parent Council is looking for a few volunteers to act as directors on Parent Council. The requirement is attendance at one meeting a month. If you are interested in considering this opportunity, please contact Shea Lorenz (403-818-2497 or shealorenz@ymail.com).

Edge Olympics

On Wednesday, June 1 we are thrilled to be able to host our first Edge Summer Olympics since 2018! All of our student-athletes will come together in their Mountain Teams to participate in various activities (such as tug-of-war, soccer, etc.) where they will challenge themselves and work together as a team in a day full of Olympic style games. Mountain Teams will earn points in each event and participation from our entire student population is key. This is an amazing opportunity for all of our Mountaineers to finally experience a true Mountain Team event, and get to know their peers better before we wrap up the year. We know that this will be a fun day for all, and we can't wait for everyone to show their Mountain Team spirit.

End of Year Students for 2022-23

Any family with a student who is planning to return to Edge as an 'End of Year' student next year is asked to reach out to our admissions director, Carrie Ray, as soon as possible. Most often, this applies to our hockey players who are moving on to play junior hockey but wish to return to Edge at the end of their season. It is very important to have conversations with Ms. Ray and Ms. Fridd to ensure that your enrolment is confirmed and that a coordinated plan is in place.
