

## Nicholson Joining Les Suprêmes Skating Team

Always exciting to see some of our longest tenured Mountaineers commit to the next step in their lives prior to graduation. Grade 12 student-athlete, Sadie Nicholson, started at Edge in Grade 5 and has accepted a position on the recent two-time world champion senior synchronized skating team, Les Suprêmes in Montreal! She will be competing internationally with the team while attending post-secondary.

"This is an opportunity of a lifetime to join the current world senior synchronized skating champions," says Sadie. "To skate at this caliber and on the world stage is a dream come true!"

Congratulations on achieving this milestone, Sadie. We look forward to seeing you on the ice with Les Suprêmes, and seeing where your student-athlete journey takes you next!

"Edge gave me the flexibility to balance my academics with my training schedule, while the staff and my fellow students inspired lifelong values like discipline, resilience, respect and leadership. I consider myself very fortunate to have been part of such a great school and community."

## Benjamin Commits to Tarleton State in NCAA

Congratulations to postgrad student-athlete, Bubu Benjamin, on his commitment to Tarleton State in the NCAA Western Athletic Conference! Since his time at Edge, Bubu has represented Team Canada on the U16 and U19 teams, been an All-American first team All-Star on the Grind Session, and was named to the BioSteel All-Canadian Games roster.

Bubu not only thrived on the court, but off of it as well. His focus in the classroom allowed him the opportunity to pick his university of choice because of his excellent grades. His tenacity on the court, in the weight room, and playing dominos/cards will be missed greatly by everyone at the school.

We are very proud of you Bubu, and excited to cheer you on during the next part of your student-athlete journey!

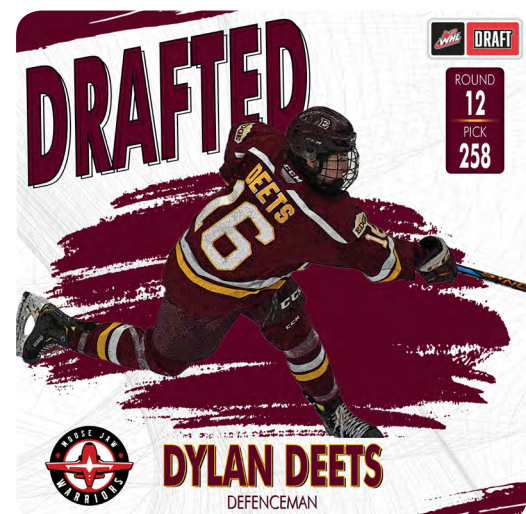

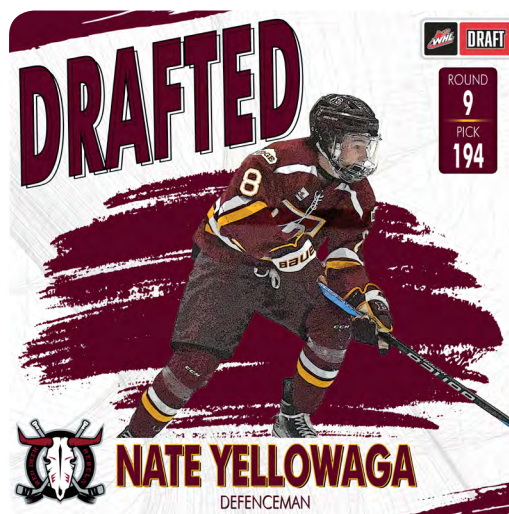

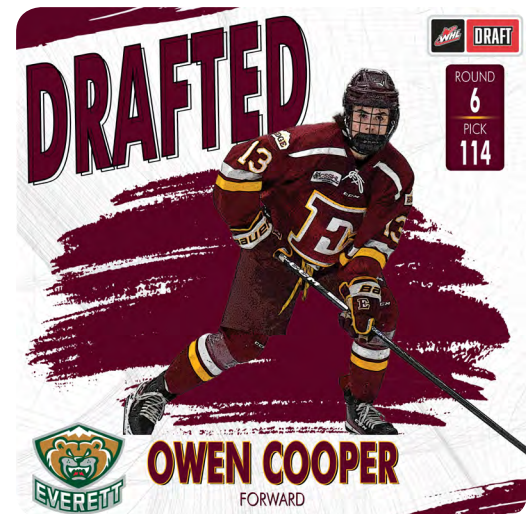

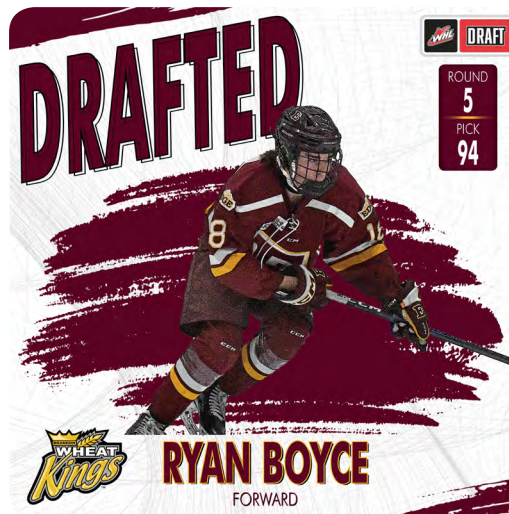

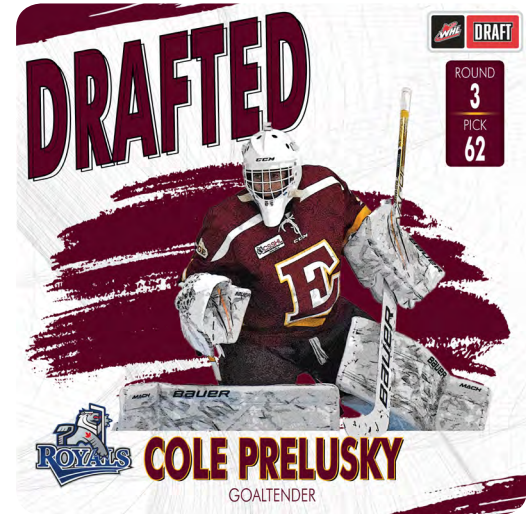

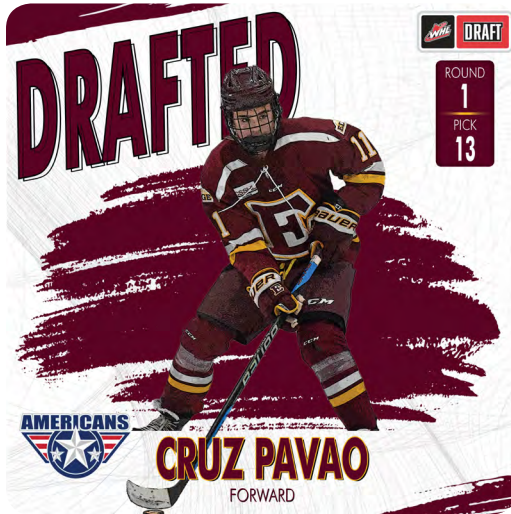

# Nine Mountaineers Selected in WHL Draft

Congratulations to the nine hockey student-athletes who were selected in the 2023 WHL Draft on May 11. No matter where hockey takes you, we know that this will always be a very memorable day for all of you!

One of the draftees, Cruz Pavao, has also signed a WHL standard player agreement with the Tri-City Americans. Way to go, Cruz!

# Four Additional Post-Secondary Commitments

We are pleased to announce four more student-athlete signings!

**Emily Carson** has committed to Grand Valley State University and the women's program in the ACHA. Emily joined us at Edge last season, and went 9-7-0 this year in the crease with a 2.38 goals against average, and .907 save percentage. She was also named to Team Saskatchewan's Female U18 squad at the 2023 Canada Winter Games. "Emily has continually improved herself as an athlete and as a person since starting at Edge," says Female Prep Head Coach, Annette Jensen.

**Kaden Gravengard** joined us from Grande Prairie this year for his postgrad year after dominating his region back home. With his 6'8 frame, great court awareness, and ability to man the paint, Kaden was a presence for our Senior Prep team all season. He will be heading back home to play for the Northwestern Polytechnic Wolves in the fall.

**Jaxon Koroll** has committed to Eastern New Mexico University in the NCAA. Jaxon joined us at Edge this year for his senior year. He was able to show coaches across North America his physicality, back to the basket scoring ability, and unselfishness to create plays for his teammates. Jaxon has represented Alberta and Canada Basketball, and participated in the Nike Elite Youth Basketball League.

**Quinn Lanier** has committed to the University of New Brunswick Saint John. Quinn joined us two years ago when he wanted to take his basketball development more seriously. Quinn brings his crazy athletic ability and focused work ethic to the facility every day.

Congratulations to all of you for working so hard to set yourselves up for this next step in your academic and athletic journeys. We wish you all the best!
