

Welcome to the 2023-24 Edge School Golf Team program!

This is a very exciting year for many reasons as we expand and grow the program for our third year. The previous two years have been highly successful in bringing opportunities to players and providing the infrastructure for success. As we continue to refine the program structure so that players can thrive with all the necessary support around them and in an environment that allows for no excuses, we are excited to present you with multiple options/plans to keep developing your player(s).

As many of you know, the summers are hectic with the golf season beginning in April, for most, and going all the way through November. It is truly a long-haul for players to endure. One of the key aspects about our program is preparing players to compete by teaching players how to maintain their game and bodies during the season. Although our school year runs from September through June, it is important for players to not only get ready, but, also maintain all they have worked for throughout the year. In the demanding sport of competitive golf, and even for those that are in the learning stages, we believe the structure that our program provides is second to none in bringing out the best in student athletes.

Last year we were very pleased that both our two team captains achieved their dream of going on to play NCAA college golf on scholarship. This year we are very excited about welcoming several new faces to the program, building on the foundation of the past two years. We are also adding some younger and developing players to the program through our new Junior Development Team Program. This will start to create a pipeline for developing players to get into competitive golf while benefiting from the experience of a team environment.

This year's team captains will be seniors: Carla van Remmen for the girls team and Declan Abrahams for the boys team!

When you return to the school in September you will notice a few upgrades around the golf room and even some changes in the general programming compared to last year.

September through Oct 15 (Thanksgiving) Schedule and plans:

The basic structure of the in-season program times will be:

- Senior sport block (Grades 10-12): 8:15am - 10:15am
- Intermediate sport block (Grades 8-9): 10:15am - 12:15pm
- Junior sport block, **NEW!**: 1:15 - 3:15pm
- Golf Team practices Tuesdays, Wednesdays, Thursdays: 3:30pm - 5pm, as scheduled
- Fitness training Mondays - Yoga or other activities 3:40pm - 4:45pm, as scheduled
- No practice on Fridays after school.

Beyond the standard schedule for sport blocks this year, we have developed a very exciting fall schedule and plan. We will continue to use Mickelson National, Springbank Links, and Valley Ridge Golf Course for all practices. One of our core beliefs is that playing golf on-course is truly the best practice. We have scheduled a very exciting lineup of courses we will enjoy this fall.

Players will have the opportunity to play the Glencoe Club (Bridges course), Mickelson National GC, Stewart Creek GC, Eagle Ranch GC, Golden Golf Club (twice!) and our season finale for the fall season will be at Kananaskis - Mt Kidd course. Players will continue to manage their independent tournament schedules that will take them all the way through to mid-October before preparing to head-off to one of two **optional** trip opportunities this November 5th to 13th.

FALL TEAM TRIP!

EAGLE RANCH GC & GOLDEN GOLF CLUB - BC

Tuesday Sept 26 ~ Thursday Sept 28, 2023

This 2-night trip is included in the golf program fee as the fall team trip and it will be amazing again! This year we will depart Edge campus early and be stopping in Invermere, BC to play Eagle Ranch GC, <https://www.eagleranchresort.com/> This is a 'special treat' of a course and we are expecting to have a great day playing. After the round is complete, we will depart for Golden, BC.

*Edge School vans will be available for those not traveling in private vehicles, so please let us know ASAP whether you will require a spot in the van, or will be driving in a private vehicle. Players being transported in a private vehicle must sign waiver forms in advance. Forms to be sent home the week before the start of school.

Please keep in mind whenever we travel on trips, the food/meals are not included unless otherwise stated. There are simply too many dietary restrictions and other complications to manage as a large group. Restaurants and meals options are planned out, however, players pay for their own meals on all trips to allow for specific menu and budget considerations.

We will be staying at the Ramada Golden hotel, <https://www.ramadagolden.com/> and the next 2 days we will be playing Golden Golf Club, which will be in fantastic fall condition. All players will receive a choice of FootJoy Flex model golf shoes on Wednesday and a dozen Titleist golf balls of choice (Pro V1, Pro V1x, AVX etc.) on Thursday! A separate email and message video with trip specific details to follow.

EXCITING NOVEMBER OPTIONS!

It is very exciting to offer 2 opportunities for our players this November as we wanted to provide options for all players to travel and have development experiences! We will be offering simultaneous trips this year from November 5th to 13th. The first will be to Phoenix, Arizona for the Mapleleaf Junior Tour National Championship, while the second will be to Orlando, Florida for the Hurricane Junior Golf Tour - Winter Garden Jr Open event and/or optional training week.

FALL OPTION #1:

The following option will be available to players who **qualify and/or receive an invitation** to participate in the 2023 MJT National Championships which will be held this year at Wigwam Resort in beautiful Phoenix, Arizona, Nov 5-13:

SPECIAL EVENT FEATURES & HIGHLIGHTS!

Monday Nov 6

The group will travel out to Cocoa Beach, Florida (approx 1 hr 20 min nice drive) where they will be led by MMG Head Coach Ian Mellor on a beach workout session as the sunrise comes out over the beach. It is a super fun experience and a great workout to start the week off right!

The group then will head into Cocoa Beach for a light early lunch at a beachside cafe that has excellent food, specialty coffee and snacks before heading over to Cocoa Beach Golf Club for the afternoon to play the course. Players can get changed and warm up at the range before teeing off with MMG Instructors and fellow players.

Tuesday Nov 7

The group will have open access to the OCN range facilities (largest driving range complex in the continental USA!) under the supervision of MMG Performance coaches from 9am-12pm. Lunch will be available at the course clubhouse for purchase and then they will head out for a bonus practice round on the Panther Lakes Course at OCN for the afternoon with tee times starting approximately 1pm.

Wednesday Nov 8

The group will have open access to the OCN range facilities (largest driving range complex in the continental USA!) under the supervision of MMG Performance coaches from 9am-1130am. Lunch will be available back at the hotel area before all players will depart for a group campus tour of the University of Central Florida (UCF Main Campus) on this day at 2pm!

The main campus tour is confirmed for: Wednesday, November 8, 2023 at 2:00 PM

The Campus Visit Experience begins with a 15-minute information session at the [Duke Energy UCF Welcome Center](#) followed by a 90-minute walking tour of the campus led by a UCF Student Ambassador. The Duke Energy UCF Welcome Center is located at 12585 Gemini Boulevard South, Orlando, FL 32816.

UCF Parking:

A daily parking permit is required on-campus. Visitors can purchase a daily or hourly parking permit from the [Visitor and Parking Information Center](#). If you would like more information about visitor parking or app-based metered parking on campus, please visit the Visitor Permit section on the [UCF Parking Services](#) webpage.

Please note: Guest parking is permitted in green lots designated with the letter "D" and garage structures with the purchase of a daily parking permit. Short term metered parking is available select locations on campus, including in front of the Duke Energy Welcome Center. Metered spaces require payment by mobile/smart device through the Passport App. Daily permit holders should NOT park in metered spaces.

MEALS:

There are multiple local options near the hotel and resort for dinner options in advance of the trip. The hotel does include a daily full breakfast buffet. Many returning players have been to this location before and are familiar with the complex surrounding the hotel and Margaritaville Mall, less than 8 mins away.

*****REMINDER whenever we travel on trips, the food/meals are not included unless otherwise stated. There are simply too many dietary issues and other complications to manage in a larger group. Restaurants and meals options are planned out and many options are available, but players choose and pay for their own meals on all trips. We recommend a rough budget of \$35-50 per day. Players will require USD cash or any major credit card while in the USA (Canadian bank/debit cards do not work).***

PRICING:

The full package price (FLIGHT+HOTEL+TRANSPORTATION + GOLF & TEAM ACTIVITIES) for the trip is:

\$2895.00 CDN + 5% GST = \$3040.00 CDN

**** +3% credit card fee, if paying by credit card for all payments, Total = +\$91.20**

SPRING TEAM TRIP

DATES: Tuesday, May 7 ~ Thursday, May 9, 2024

LOCATION: Radium Springs & Fairmont Hot Springs BC

This is the second included 2-night trip with Edge School Golf Team program. The group will travel and play The Radium Golf Course on the way to Fairmont Hot Springs BC. The team will then play both courses at the Fairmont resort the next 2 days and be staying in local accommodations. All final details of this trip will be available soon as they are finalized.

This is a tremendous opportunity for players to get their games tuned up as the Canadian season begins! These trips are also a great opportunity for teams to build camaraderie and gain team travel experience.

Final Notes:

- General golf program schedule will be emailed monthly to players and parents as a PDF document. Any changes will be communicated ASAP via player and parent group chats starting in September. All documents are available by email upon request. It is the players responsibility to check group chats daily! The schedule will also always be posted in the golf room on the white board. Players and parents should always expect changes in the schedule during the school year and should always watch the weekly YouTube based video link updates sent out.

TEAM RULES

GENERAL TEAM PROGRAM RULES, POLICIES & EXPECTATIONS OF PLAYERS:

- The Edge Golf program operates on a set annual budget based on the program/team fees for 2023-24 for all activities. If players are aware of any conflicts that will cause them to miss either the included Fall or Spring team 2-night trips then they must notify the Director of Golf prior to the season starting. Any schedules golf activities (practice or on-course play) missed by players on their own accord or due to injury, unforeseen circumstances, weather or otherwise are non-refundable.
- Academics always takes priority over golf activities. All players must be in good standing academically to participate in school golf programming. Upon approval, players will be granted permission to miss golf to work on academics. Academic teachers can, and will, work with students to accommodate schedules, but players will be required to fulfill academic work as required by teachers first. Players are 100% responsible for making proper homework arrangements for trips and/or missed days of schools to attend events.
- All program players are expected to represent Edge in competitive events at all times. Use of their players' clothing package and golf bags are mandatory at all times unless players receive specialty equipment or apparel for specific representative events. Players participation points on tours such as MJT will count towards Edge Golf Academy standings throughout the year when/where applicable.
- Players are expected to attend all practices and game days. Daily attendance is taken and students must inform the coaching staff if they are going to miss an activity. Missing activities can result in the school incurring unnecessary costs (ex. not using booked stall at Launch Pad) so proper notice must be given so appropriate facility changes can be made.
- Players must wear proper Edge golf attire at golf facilities and adhere to general dress codes of facilities. Proper golf wear provided in player's kits includes collared polo style shirts. Players should keep golf clothes and options at school to change into. T-shirts will not be allowed at golf

facilities. Sweaters and weather gear are acceptable. This also extends to proper footwear and socks. Players not wearing proper golf or athletic running style shoes will not be allowed to participate. Sandals, flip flops, Crocs, or anything besides proper athletic shoes are not allowed. No denim or ripped torn style clothing is permitted and the coaching staff will have the discretion to judge if clothing is golf appropriate, or not. ***Practice and dress like you play!***

- No hats or clothing brands that represent alcohol, satirical or controversial concepts. Represent your school and team program properly at all times. Anyone not respecting this rule will be not allowed to participate. All players are provided a top of the line players kit every season, there is no excuse to not have proper golf attire to wear to practice or play events. Players must wear Edge wear on all golf outings and can order extra pieces at wholesale pricing if required. ***Bottom line: Dress for success, practice like you will play! Look Good → Feel Good → Play Good!***
- Behavior on all golf outings and trips is expected to be respectful at all times. Rules, timelines and school policies are to be followed and will be enforced. Good etiquette is expected at facilities and players need to conduct themselves to a high standard. There will be zero tolerance for any form of misbehavior, including, use of foul language, poor manners, inappropriate joking, taunting/bullying/teasing, excessive noise or any behavior disruptive to others around them. Any player damaging any facility property will be 100% liable for damage recovery costs and subject to possible discipline and/or suspension of privileges.
- Players are always expected to be respectful and supportive towards their teammates, classmates, coaching staff, academic teachers and all facility staff at all times. Failure to follow this general basic expectation can result in players being disallowed to participate in activities, being sent home (including during trips) or potentially being removed from the golf program and/or school entirely.

EDGE GOLF TEAM LOCKER ROOM RULES:

The Golf Team room is an exclusive **privilege** to team players. Any player not respecting the room and its contents can and will have their locker privileges and access suspended at any time. A very simple and effective zero tolerance and/or 3-strike system will be enforced. The Edge School Golf Team program is a true “College Prep” design meant to have players experience what it will be like if they become student-athletes at the next level. Players should act accordingly at all times and develop the habits required to be successful in post-secondary. They need to learn that they are representing themselves, their families, the school and their coaches at all times.

The room can be accessed by team players anytime, however, the following basic rules apply:

- No guest friends or other Edge students from other sport programs allowed unsupervised at any time. Non-golf program players are not allowed to use any equipment including the golf simulator or clubs without the permission of Dir. of Golf, Ryan Cater, or senior school management. Players cannot provide non-golf students access to equipment or room
- The golf team room is under recorded high resolution and amplified audio video surveillance 24/7.
- Any damage to equipment or assets will be the financial responsibility of the player.

- Players may use the room to study when supervised, if they so desire, but it is recommended that they use the Learning Commons and/or assigned study hall rooms to avoid distractions.
 - Players must eat lunch in the cafeteria and cannot hang out in the golf room over lunch hours. They may use the room during spare times to study and are allowed to practice golf shots safely in the golf room, when supervised.
 - Although encouraged to use the cafeteria area, players may only eat light snacks in the room but are 100% responsible for cleaning their garbage at all times. If any spillage or mess is left behind, the player(s) will receive a warning and be required to clean it immediately. Repeated issues will result in their golf room privileges being suspended.
 - Lockers must be kept tidy at all times. No placing of excess books, clothing, food, drink bottles or equipment on the tops of the lockers at any time.
 - Lockers should be locked to insure the security of things at all times, especially expensive golf equipment. Players must provide their own padlock for the year. The school is not responsible for any lost or stolen equipment or belongings.
 - Absolutely no golf ball hitting or chipping in the room other than towards the simulator screen area when it is safe to do so. No intentional hitting of the padded roof. No chipping in the golf room at all. Proper putting practice is allowed as available. ***Failure to follow this simple rule will result in players losing golf room access entirely.**
 - No roughhousing or horseplay of any kind at any time.
 - Player will always respect Dir. of Golf work desk area and that the golf room is also a private office space.
