

Seven Mountaineers Represent Their Country

It's been an exciting summer seeing Mountaineers past and present representing their country at various international events:

- Bubu Benjamin (Team Canada, FIBA U19 Men's Basketball World Cup)

Canada went 3-4 in the tournament and finished in seventh place. Bubu averaged 9.1 points, 4.3 rebounds, 2.1 assists and 1.6 steals (team high) per game.

- Yvonne Ejim (Team Canada Senior National Team, FIBA Women's AmeriCup – Third Place)

Yvonne averaged 7.9 points and 4.3 rebounds per game, helping lead Team Canada to a bronze medal.

- Charlie Elick (Team Canada U18, 2023 Hlinka Gretzky Cup – First Place)

Team Canada went 2-1 in the preliminary round before beating the United States in the semifinals. In the final, Canada pulled off a 3-2 victory in an overtime thriller against Czechia to take home the gold medal.

- Eirny Erinugha and Jayda Queeley (Team Canada, FIBA U16 Women's Americas Championship – Second Place)

Team Canada made it all the way to the gold medal game, but fell 77-49 to a tough United States team. Regardless of the outcome, it was a great experience for both Mountaineers as they come back to Calgary with a silver medal.

- Tyler Myers (Team Canada, IIHF World Hockey Championship – First Place)

This was the fifth time Tyler represented Team Canada on the world stage, and first time since the 2014 World Championships as he helped the Canadian team to a gold medal.

- Xavier Spencer (Antigua & Barbuda Men's National Basketball Team, 2025 FIBA Americup Qualifiers)

X averaged 6.0 points, 4.0 rebounds, and 1.0 steal per game and made a big impression with the Antigua & Barbuda Men's Basketball Team.

Congratulations to all of you for earning yourselves these impressive opportunities!

Five More Basketball Post-Secondary Commitments

We are pleased to announce five more student-athlete signings from the basketball program!

Corey Banks has committed to the University of Lethbridge. Corey joined our basketball program from Canmore for the 2022/23 season. Playing through multiple injuries this year, Corey was still able to continue to grow and improve his game to reach the U SPORTS level.

Kay Lew has committed to Saint Marys University in the CCAA. Kay joined our basketball program this year after playing Grade 12 with Notre Dame High School in Calgary. He brought his smooth play style to our Senior Prep squad and was a strong leader for the group.

Frazier McNary has committed to the SAIT Trojans in the CCAA. Frazier joined our basketball program for a postgrad year after playing his Grade 12 season in Ontario.

Parker Martens has committed to Simpson University in California in the NAIA. Parker joined us three years ago out of Kelowna BC, and fit in at Edge instantly. Parker (Melo) and his king curly locks brought a unique smoothness and lights out shooting ability to our basketball program, and an all-in personality and mentality to our school – always engaging in school activities and Mountain Team events.

Xavier Spencer has committed to Carleton University. Xavier joined us at Edge in Grade 9, and has been the consistent force of our basketball program since it's inception. He has spent countless hours on our campus working on court, in the weight room, and in the classroom. We could not have asked for a better representative to start our basketball program with five years ago.

Congratulations to all of you for working so hard to set yourselves up for this next step in your academic and athletic journeys. We wish you all the best!
