Today's Assembly

It was great to have our students and staff together in the gym this morning for our first assembly of the year. This introductory assembly served three main purposes.

First, to set the stage for the expectation that all Mountaineers will be committed to pursuing their personal best in class, in their sport and as kind and supportive humans. All students and staff signed our 'We are all Mountaineers' banner, which will hang in the cafeteria as a reminder of our collective commitment to assisting all mountaineers in their pursuit of personal excellence.

Second, to welcome new students and staff into their [mountain teams](#). Everyone was very excited to receive their new mountain shirts today. Thanks to Liam Goetz for providing the inspiration for the new mountain shirt design.

Third, to introduce our first character event of the year, the Terry Fox Run. At Edge, our entire community pulls together to support the cancer research fundraising efforts started by Terry Fox in 1980. Both the run day (September 27) and fundraising are Mountain Team challenges. As part of our Terry Fox School Run, this year we challenge students and staff to raise \$10,000! Please help us reach our goal by [donating here](#). Special thanks to Ken Larson who was our inspirational guest speaker and a personal friend of Terry Fox.

Picture Day – Monday, September 11

Students are encouraged to wear their Edge collared shirt for picture day. If not the collared shirt, 'Sunday best' is suggested. Retake day will be Oct. 28.

Cafeteria Pre-ordering

Students looking to purchase food from the cafeteria in advance can go to the cafeteria when they get to school to pre-order for lunch, or they can also pre-order throughout the day during breaks or spares.

We shared a link in error last week that was for online pre-ordering which has since been discontinued by the cafeteria. We apologize for the mistake on our end.

Skate Sharpening and Hockey Equipment Sanitizing

We are pleased to be able to provide quality skate sharpening service as well as hockey equipment sanitization to all of our Edge hockey players.
