CHARACTER CORNER

McGregor Recognized as 'Citizen of the Year'

Congratulations to Grade 11 student-athlete and U18 Female Prep hockey player, Allison McGregor, who was recognized with the Citizen of the Year award from her high school last year (for Grade 10) at John Maland High in Edmonton.

Students were nominated for the award by the school staff is based on:

- Respect for students and staff
- Participation in school activities
- Leadership in classroom and in school as a whole
- Commitment to studies

After the nominations came in, Alli was chosen as the recipient.

The values that John Maland High highlighted in their Citizen of the Year award no doubt correlates to the principles that we want all of our Mountaineers to prioritize at Edge School as well. We are very proud to see one of our own recognized with this type of award. Way to go, Alli!

Kern Named MJT Juvenile Boys Player of the Year

Congratulations to Mateo Kern for being named as the 2023 MJT Player of the Year for the juvenile division!

Mateo joined our golf team program this year for his Grade 11 year and upon confirming he was coming to Edge in the spring, set out for the summer Alberta golf season. He ended up having a brilliant summer, culminating in winning five events and establishing a scoring average of 71.50 capturing 1750 MJT National Order of Merit points.

With extensive previous tournament experience and impressive results, Mateo broke through and won the MJT Major Tournament at McKenzie Meadows this summer in July, which included a brilliant 66 (-6) bogey free final round. He then went on to win four other tour events, including the second MJT Major of the season firing a red hot 67 (-4) in the final round at the Edge School Summer Classic Coyote Creek in August.

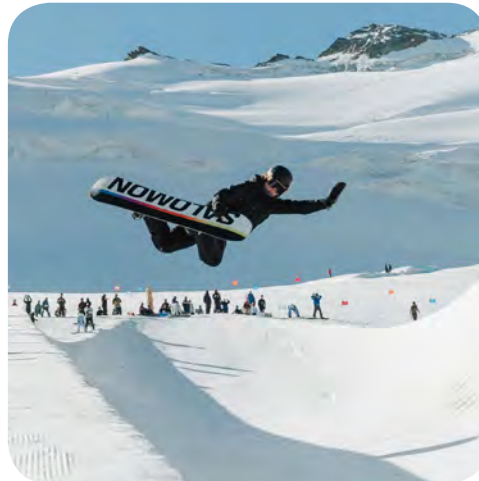

"Mateo is an extremely smart player with a tremendous golf IQ. He is very advanced in terms of game knowledge and plays very much within himself. He knows who he is on the golf course and shows tremendous maturity for a player of his age with a work ethic to match. He is probably the most strategic playing junior I have seen in my coaching career. We are all very excited to see what he can do the rest of this year and next season. His results, coupled with his strong academics and leadership qualities, already has NCAA programs inquiring about him. It will be exciting to see him continue to work through the process over the next year." says Edge Director of Golf, Ryan Cater.

Jackson Smith Named to Team Canada U17 Team

Congratulations to Jackson Smith on being named to Team Canada Red for the upcoming World U17 Hockey Challenge, set for November 2-11 in Charlottetown and Summerside, P.E.I.

The event features teams from Canada, the United States, Czechia, Finland and Sweden.

Jackson was selected second overall by the Tri-City Americans in the 2022 WHL Prospects Draft after scoring 38 points (15-23-38) with our U15 Prep team during the 2021/22 season. Last year in an injury shortened campaign, Jackson had nine points (5 G, 4 A) in 16 CSHL regular season games for the U18 Prep team before tallying four goals in five playoff games to help the squad to a CSHL Championship.
