KidSport Calgary and Flames Sport Bank Equipment Drive – Thank You!

Because of your generosity, hundreds of kids will have the necessary gear to play sports in their communities.

Here is a glimpse of your contributions:

- Over 1000(!) pieces of great quality, safe to use equipment.
- Majority of the equipment was hockey related, which is great because they have exhausted their hockey inventory over the past couple of months getting kids ready for hockey season.
- 83 incredible hockey sticks! Majority of these are in incredible shape and are the exact sizing that KidSport needed.
- 45 pairs of hockey skates.
- 25 hockey helmets.
- An assortment of other pieces of equipment including soccer cleats, skis and ski equipment, running shoes, and more!

This was an outstanding equipment drive and the quality of the equipment was incredible. Thank you very much for your support!

U15 Project Warmth and Food Bank Drive

Our U15 hockey team is collecting donations for [Project Warmth](#) as well as non-perishable items for the foodbank. Project Warmth Society of Alberta is a registered charitable association that has been formed to assist the homeless and the underprivileged. Blankets, gloves, sleeping bags, scarves, parkas, and items of warm clothing are gathered for distribution to those in need. As well, Project Warmth is involved with school children and other organizations, under its umbrella organizations Kids' coats, Pupils' Parkas and Students' Scarves.

There is a Christmas tree outside of the Clinic here at Edge and we are asking families to consider donating new or gently used gloves, socks, toques as well as non-perishable food items.
