

myPass is an Alberta Education service that allows high school students to have direct access to their educational information including

- high school courses and marks
- diploma exam marks
- high school credits earned
- detailed academic history (regardless of school attended)
- ordering transcripts

Edge school encourages all Grade 10-12 students to sign up for myPass using your personal email address. Please provide Edge school with your personal email address [here](#). It will be added to your Alberta Education account allowing you to activate your myPass account using the instructions below. Please allow a few days for email input before attempting activation.

***If you have already activated your account with your school email please update Edge with your personal email address [here](#).**

Setting up myPass

- Go to myPass.alberta.ca.
- Set up an Education Account or sign in with social login.
- Enter your [Alberta Student Number](#) (shown on all Alberta Education correspondence or available from your school) and date of birth.
- You will be sent two things - an email with a web address, and a physical letter with a 4-digit PIN.
- Once you receive both the email and the letter, go to the web address contained in the email and input the 4-digit PIN.

For more information on myPass, visit Alberta Education's [myPass resource page](#)..
