

## CHARACTER CORNER

Our new high-five award recognition has a monthly draw for all students who received a high five in that month. The winner of our second draw is Xavier Kilisian.

“Xavier has demonstrated a strong sense of character since the beginning of the school year; in particular, he has shown his appreciation to the building and the importance of building a strong community. Xavier is more than willing to support our younger Mountaineers (whether that is a “high-five” or chatting with our young Mountaineers at lunch) and has shown care by picking up garbage, pushing in chairs, and leaving our spaces the way we want them.” – Ms. White

Congratulations on being our October high-five draw, Xavier!

## Team Alberta Victorious at WHL Cup

Congratulations to our six U18 student-athletes that claimed gold with Team Alberta at the 2024 WHL Cup:

- Nathan Cole
- Mirco Dufour
- Brock England
- Joaquin Geras
- Owen Hayden
- Leif Oaten

Alberta downed Team Manitoba in the final by a score of 8-1 to avenge last year’s defeat to Manitoba in the 2023 WHL Cup.

With three goals and five assists in five games, Brock England was named the tournament’s Most Valuable Player.

# Two Named to Canada Red World U17 Challenge Roster

Congrats to second semester student-athletes, Landon DuPont and Cruz Pavao, on being named to the Canada Red roster for the 2024 U17 World Challenge (currently taking place in Sarnia, ON). The event has quite the track record with more than 2,000 NHL draft picks having suited up at the U17 World Challenge since it's inception.

Landon started his WHL career on a seven game point streak, and has compiled 16 points (4 G, 12 A) in 14 games with the Everett Silvertips this season – ranking him fourth overall in defenceman scoring as a rookie.

Cruz is also in his first full season in the WHL and has nine points (4 G, 5 A) in 11 games for the Tri-City Americans.

Good luck this week with Canada Red, fellas.

## Leonard, Parascak Reunite with Prince George

Class of 2024 grad, Fraser Leonard, had quite an eventful 24 hours last week after finding out he had been traded from the Calgary Hitmen to the Prince George Cougars. One of the main highlights of this transition is reuniting with his former teammate, Terik Parascak (also a class of '24 grad). "It's been a crazy couple of days," Leonard said. "I was so excited to hear that it was Prince George and that I am back with Terik. It's going to be fun."

The two previously played together for two seasons at Edge, forging a strong connection. Parascak remembered his surprise upon hearing the news: "I was just sitting and having dinner, and then all of a sudden, I saw that he was spam calling me telling me about the trade," Parascak chuckled. "It's super exciting; he's a great kid, a great player, and just very lucky to have him here." Beyond being teammates once again, the pair will also be living together, which they are both looking forward to.

## La Rotta Named to Canada West All-Rookie Team

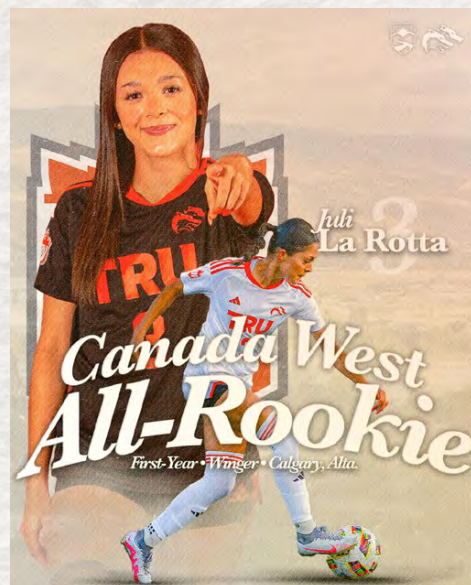

Congrats to class of 2024 grad, Juli La Rotta for making the Canada West All-Rookie Team!

Juli hit the ground running for the TRU WolfPack by leading the team in scoring in just her first year of university soccer.

With four goals for TRU, Julia led the highly-competitive Pacific Division in scoring by rookies and finished top-five in that category in the conference.

"We are beyond excited for Juli's future with us, she's had a really good season," said head coach Mark Pennington. "She's a really talented player and brings something to the team that we didn't really have. The way she can drive and run at people is special and her finishing has been really good so we are really excited for where she can go. She's received a great award that she thoroughly deserves."

Unreal season and start to your U SPORTS career, Juli.
