Career Day

On Wednesday, Nov. 20, we will be hosting Career Day ([with a modified schedule](#)). There will be a special morning assembly featuring former Olympic Speed Skater, Catriona Le May Doan.

Afterwards, senior high students will have sessions with a few other presenters from 10:55 AM-12:25 PM. Grade 8 & 9 students will have presentations from 12:55-3:15 PM and Grade 4-7 students will be with presenters from 2:00-3:15 PM.

Mountaineer Award Score (Term 1)

At this point you all should have noticed a “Mountaineer Award Score” showing for each of your child’s classes. For Term 1, as a part of the new [Recognition Program](#), these scores are a “formative score”. This means that these scores do not factor into the Mountaineer Award. Students will all have an opportunity to improve these scores and qualify for a Mountaineer Award at the end of Term 2 and Term 4. The Ter 1 and Term 3 scores are intended to be a check-in for students to see where they are and work towards maintaining or improving their score for the following term. Please have a look at the new [Recognition Program](#) to familiarize yourself with the requirements for all awards including the **Mountaineer Award Rubric** (within the Mountaineer Award section).

Toy and Food Drive

To get in the holiday giving spirit, the U15 Prep hockey team is spearheading two initiatives from Nov. 15 thru Dec. 18:

- **Toy Drive** – collecting new toys (for newborns to 17 year-olds) that will be passed along to the Children’s Cottage.
- **Food Drive** – collecting non-perishable food items that will be donated to The Veterans Association Food Bank.

Please consider donating toys and/or non-perishable food items if you are able to support – thank you!

25/26 Re-enrolment

Re-enrolment for the 25/26 school year will begin Dec. 1, 2024. The re-enrolment deadline for the 25/26 school year will be Dec. 16, 2024.

Counseling Updates

USask Calgary Hub Night - 109, 301 - 3rd Ave SW

Drop-in and say hello to the University of Saskatchewan and ask any questions regarding USask programs.

- Nov. 18 & 19 from 5:00-8:00 PM

EDGE SCHOOL

Dear Students, Parents & Guardians,

We've partnered with Castle Rock Research to offer discounted Exceleator Diploma Preparation Courses to help students excel in diploma exams. Led by top educators on the SOLARO platform, these courses provide interactive learning, immediate feedback, and essential test-taking strategies. Each 20-hour course, delivered over 5 days, is fully aligned with Alberta's Program of Studies, offering device compatibility and interactive Q&A options. Click the button below to sign up or learn more.

Exceleator Diploma Preparation Course Sale Price \$100.00 (Regular \$150)

Mathematics 30-1

- Mathematics 30-1 focuses on algebra, functions, trigonometry, and problem-solving using graphing calculators. This course builds confidence and enhances exam readiness.

Mathematics 30-2

- Mathematics 30-2 emphasizes logical reasoning, probability, and practical applications. It equips students with strategies for exams without requiring calculus knowledge.

Chemistry 30

- Covers thermochemical, electrochemical, and organic reactions. Hands-on practice and feedback enable students to grasp complex concepts and perform well on their exams.

Biology 30

- Explores biological systems, genetics, and population dynamics. The course strengthens students' scientific understanding and exam skills, emphasizing scientific literacy.

Physics 30

- Focuses on momentum, forces, and atomic physics. Interactive lessons build problem-solving and critical thinking skills essential for diploma exams.

English 30-1

- Enhances skills in analysis, comprehension, and communication. Includes practice for written responses and exam strategies, helping students construct strong, clear arguments

Social Studies 30-1

- Covers citizenship, identity, and ideologies, developing analytical and essay-writing skills. This course equips students with strategies to manage time effectively on exams.
