Staffing Update

Our hiring committee is pleased to share the results of our search for a new Director of Enrolment (formerly Director of Admissions). We are excited to announce Mike Stevens as our new Director of Enrolment. Mike currently serves as the head coach of our National Female Basketball Team and he rose to the top of a very strong pool of applicants. Mike is a very well respected member of our community and we know that he will be an excellent ambassador for the school. His strong alignment with the mission and vision of the school will be invaluable as he leads the selection and onboarding of 3-sphere families.

With support, Mike will maintain his head coaching responsibilities until the end of the Basketball season. He will step away from grade 8/9 basketball skill academy and grade 4-7 multi-sport coaching duties. There is a plan to ensure that both groups have excellent coaches in place under the leadership of Jordan Jensen-Whyte.

As the Director of Enrolment, Mike will also join our Strategy Team. We are excited to have Mike help operationalize the school's strategic plan and to lead our enrolment management process.

We would like to thank the hiring committee for their time in the process of screening and interviewing applicants.

Study Guides and Diploma Exam Preparation

While the school is not connected to any diploma prep course or study guide resource, we are happy to provide the options to students and parents who may see a benefit in accessing them. We will also pass on any discount codes that are provided.

A number of companies offer diploma exam preparation courses. We do not endorse any program and instead encourage students and parents to do their own research on the best fit for the student's needs.
