The Edge Legacy Dinner

In celebration of our 25th Anniversary, we are bringing back The Edge Legacy Dinner. This fundraising gala event will welcome nearly 400 Edge School community members and help raise much needed funds to support Edge School's Financial Aid program.

We are pleased to host two panel groups whose stories are sure to resonate with every guest.

The first group features Edge School's original founder, Mr. Brent Devost. Hear the story of how Edge School began - its challenges and pitfalls and the overwhelming obstacles it faced in those early years. Joining Brent are Bruce Stuart, Dan Bertram and one other early patron who believed in Edge School and helped it become what it is today.

The second group features four members of the 1989 Calgary Flames Stanley Cup Championship team. Hear from Lanny McDonald, Colin Patterson, Joel Otto and Doug Gilmour as they relive that year, that team and beating the odds.

Wellness Week

Our Grade 4-9 students participated in a special Wellness Week designed to focus on their physical, mental, and emotional well-being. It provided a valuable opportunity for students to learn practical strategies for maintaining a healthy and balanced lifestyle. Thank you to all our guest speakers and workshop leaders for making this week so impactful!

December Fundraising

Thank you to everyone who donated to our December fundraising initiatives. Thanks to you, we raised over 83% of our \$10,000 goal.

Donations can still be made to receive a 2024 tax deductible receipt. The CRA has announced that it will honour the extension until February 28, 2025.

Please use [this link](#) to donate and remember that all donations of \$20.00 or more are eligible for a 2024 tax deductible receipt.

Your gifts will benefit student-athletes through our endowment fund – a legacy that will provide sustainable financial funding for all future student-athletes.

Loyalty Program

Active date: 01/13/2025 - 01/27/2025

Dear Parents & Guardians,

Edge School has partnered with Castle Rock Research to offer students a special discount on study guides for grades 3-12 in Mathematics, English Language Arts, Science, and Social Studies.

These print and digital resources are aligned with the Alberta curriculum and have been updated to reflect the 2024-25 curriculum. They are an excellent support for all students looking for an additional studying resource to prepare for exams and improve overall comprehension of class material!

SOLARO, \$25.00 (\$200 retail)

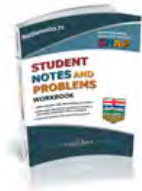

- 1-year access to up to 10 courses across grades 3-12 in Mathematics, English Language Arts, Science, and Social Studies, available on any desktop, laptop or mobile browser.
- Offers more courses than are available in print, 10x the practice questions compared to print, plus tests and additional study tools

The KEY Study Guides, \$25.00 (\$34.99 retail)

- Mathematics, English Language Arts, Science and Social Studies editions have been updated for the 2024-2025 school year
- New Pre-Test/Post-Test sections (Pre-Tests assess skills from the previous grade, Post-Tests reflect course content in which students must demonstrate proficiency)

SNAP Workbooks, \$25.00 (\$34.99 retail)

- Student Notes and Problems (SNAP) Instructional content, practice exercises and unit assessments covering the breadth and depth of select Science and Mathematics courses.

Problem Solved and Class Notes, \$17.00 (\$24.95 retail)

- All of the questions from the respective SNAP workbooks are presented along with the detailed solutions. Included are excerpts that focus students on the explanatory notes for each topic.

For more information, click the button below, or copy the link to place your order. Orders will be individually packaged and shipped to the school for pickup by your student.
