Alan Rickwood Retirement

After years of dedication and leadership, our long-time Soccer Director, Alan Rickwood, is retiring. A mentor, a coach, and a friend to many, Alan has been a pillar of our soccer program—not just for his expertise on the field, but for his quick wit, legendary banter, and the genuine connections he’s built within the Edge community. He will be greatly missed, but his impact will live on through the countless student-athletes he has guided. Thank you, Alan, for everything!

With Alan’s retirement, we are looking for a new Soccer Director to lead our program into the future. [Application details can be found here](#).

Alberta Education Surveys

The Alberta Education Assurance (AEA) Survey is an important tool for enhancing the quality of education in our school. Your participation in this survey is invaluable! It helps us gauge how well we’re doing in areas like student growth, learning engagement, education quality, and creating welcoming, caring, respectful, and safe learning environments. Your feedback directly influences our planning and future initiatives.

Each year, Alberta Education sends the AEA survey to all parents and legal guardians of students to gather important information on the quality of education provided by school authorities and schools.

This year’s surveys and random access codes will be shared with you directly from the school. *You will not receive the survey in the mail as in previous years.* Once you receive your random access code, [you can use this link](#) to complete your survey.

3-Sphere Surveys

As part of our continuous improvement mandate, we will also be asking you to complete our 3-sphere survey to provide feedback on your academic, athletic and character experiences within our programs. This survey, which will be sent towards the end of the month, is intended to complement the Alberta Education surveys (noted above). If you have more than one child attending Edge School, please complete the survey for each child. Your feedback is confidential, appreciated and valued.
