Support One of Our Own: Arianne Jones

You may not be aware, but one of our alumni, Arianne Jones, has been facing an incredibly difficult journey. After the birth of her first child in January, Arianne experienced a series of serious medical complications. Her story – shared previously in our Edge Express and on social media – is one of strength, perseverance, and community support.

Arianne spent months in the hospital and was finally discharged on May 30th. She continues to undergo extensive therapy and is in the process of learning to walk again. Her recovery would not have been possible without numerous life-saving blood transfusions.

When asked how others can help, Arianne's answer was simple and powerful: "Donate blood."

In her honour, Edge School has joined the Canadian Blood Services' Partners for Life program with a goal of 15 units pledged in 2025. Whether you're a regular donor or considering it for the first time, this is a meaningful way to make a difference. **Here's how to participate:**

Join our team: Edge School for Arianne Jones
Use our Partner ID: EDGE0126824

Be sure to register your donation under our team to have it count toward our pledge. While your donation won't go directly to Arianne, it supports countless others in need—and raises awareness in her name.

You can follow Arianne's ongoing story on Instagram, where she continues to share her journey with courage and honesty.

Thank you for your support. Together, we can make a life-saving impact.
