Community Feedback – Year-Round Multi-Sport Dome at Edge School

Before we begin the application process for doming our field, we wanted to gather feedback from the community. We believe there is a tremendous need for year-round training spaces in the Springbank area.

We would love to hear from you with any questions, concerns or suggestions that you might have about a possible multi-sport dome over our existing soccer field.

[Let us know your thoughts here](#) – responses will be kept anonymous.
