## Fall Illnesses

As previously noted, we are entering the time of the year when we see a rise in the number of illnesses. We wanted to pass on a few basic reminders regarding prevention and expectations:

- If you are feeling ill, stay home. Please practice good hand hygiene and cover your mouth with a tissue or sneeze/cough into your arm. Please avoid sharing water bottles with other students.

We have two reported cases of hand, foot and mouth disease in the school and wanted to pass on some specific information about this illness, which are very similar to other respiratory and gastrointestinal illnesses and can be found [here](#).

## Student Supports

Now that we're through the hectic back to school rush, and hopefully the lives of our Edge families are settling into a rhythm, we wanted to take a moment to highlight some support resources that are available to our student-athletes.

Working in concert with our academic staff is a **learning support staff** including [Midori Monan](#) and Trevor Zimmerman. If your child has specific learning needs that require support, please feel free to reach out to your child's classroom teacher or Ms. Monan.

We also have a **sports medicine clinic** in house, managed by [Brady Greening](#), to help meet the injury and recovery needs of our athletes.

Our student-athletes also have access to **mental health support** through our counselling staff, including [Diana Fridd](#) (Academic and Personal Counselling) and [Matt Brown](#) (Sport Psychology and Personal Counselling). Feel free to reach out to either counsellor with any concerns or challenges that may arise.

And watch for new episodes of the [Edge Podcast](#) this year that touch on themes pertinent to your student-athletes and how best to support them!

## Book Drive – Cochrane & Area Humane Society

The golf team has organized a book drive for the Cochrane and Area Humane Society. Please drop off your books before Sept. 22 (there is a bin in the front foyer). We kindly ask that no encyclopedias, textbooks, atlases, dictionaries, Reader's Digest or magazines are donated.

Thank you for your support!

## Sharing Student-Athlete Achievements and Accomplishments

In an effort to help us shine light on the many great achievements of our Mountaineers, we are asking for your help. Whether it be a story of achieving a personal best in athletics or giving back to the community, we want to recognize the efforts of our students beyond our four walls. Generally, we share a selection of these stories through our social media channels and [EdgeMountaineers website](#).

To ensure that we highlight our student-athletes accordingly, please do not hesitate to share stories and pictures with Landon when you can.

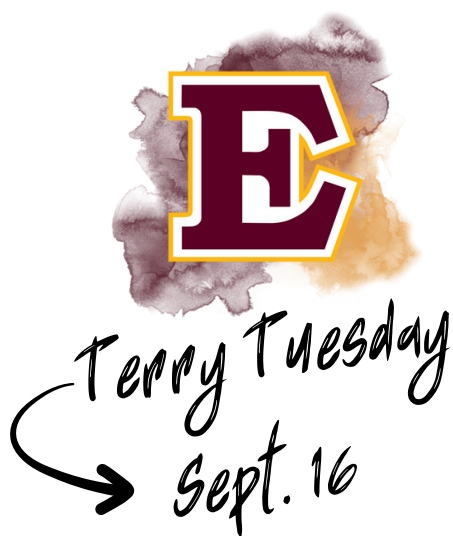

[This is a great example of a story that was shared with me and posted.](#)

## Terry Fox Run

Our Terry Fox Run will take place on Sept. 29. This event will be a mountain shirt day and will consist of a short opening ceremony followed by the run and a school-wide barbeque.

This upcoming Tuesday, Sept. 16 is a casual day where students can wear non-edgewear for the day for a minimum donation of \$5.

If you'd like to make a donation to our Terry Fox fundraising, [you can do so here](#).
