

WELCOME TO THE 2025-26 EDGE SCHOOL GOLF TEAM PROGRAM!

As we start our 5th official year of the program, we are setting the stage for our student athletes to have opportunities to thrive by providing all the infrastructure for success and truly create a “no excuse environment!”. As the golf program evolves this year, we are developing it into the 3 team model of College-Prep & Travel team, Varsity Team and Junior Team and have worked ahead on creating some great opportunities for all ages and abilities.

This year we are introducing multiple new options and plans to give our players access to events and opportunities that are truly unique and great for building their competitive player experience resumes. Everything has been designed for players to learn tournament play and replicate college level golf team programs. It is meant to push players to realize what it actually takes to make it to the next level and learn how to be a good student athlete both on and off the golf course.

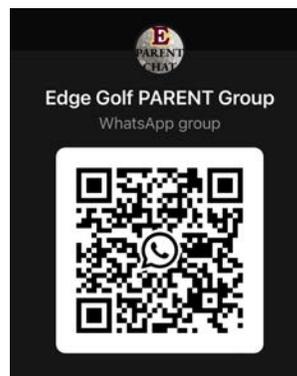

As we all know, the summer seasons are hectic and the golf season, which truly begins in April for most and goes all the way through November is a long-haul for players to endure. One of the key things about our program is teaching players how to maintain their game and bodies during the season while getting them ready to compete. We have introduced the Titleist Performance Institute (TPI) programming into the program and players should be taking full advantage of the app throughout the year. In the demanding sport of competitive golf and even for those that are in the learning stages, we believe the structure that our program provides is second-to-none in terms of bringing out the best in all our student athletes.

This year we are very excited about welcoming new faces to the program that will undoubtedly add to the depth of our growing program. We are thrilled to have some younger and developing players to the program through our Junior Development Team Program. The amount of talent and passion in the pipeline coming through the younger grades is very impressive! We are looking forward to welcoming our new Mountaineers into our team environment in just a few short weeks.

Looking ahead to the upcoming year, there will be some changes to the general programming schedule. As such, it is critical to refer to the separate document that will be available off the school website page at all times. The schedule is always subject to changes and we will strive to communicate any changes ASAP to both player and parents chat groups using **whatsapp** this year. Please see the-QR codes on the next page to join the groups if you have not already, or, share them with family members who need access. On all travel trips, we create trip specific chat groups on whatsapp-and you will be invited to join well before we leave.

Please scan the QR codes below to join either the PLAYERS Group or the PARENT Group:

Edge School Golf Team Captains will be 2026 Graduating Seniors:

NIYA FRIESEN for the Girls team

KOLE MYHRA & SAM COOK for the Boys team.

Max Hamel - Balaski will also be an Assistant Captain for the Varsity Team when/where required

Included Junior Membership to Mickelson National Golf Club:

DETAILS:

FALL & SPRING School season 2025/26 - *Included with Edge School Golf Team Program fee for students in grades 8 and up. This membership is optional for students Grade 7 and below at a cost of (\$500 +GST).

FALL SEMESTER 2025 Sun Sept 1, 2025 - Oct 15, 2025 (or course closure date)

SPRING SEMESTER 2026 April 12, 2026 (estimated or course open date) - Fri June 13, 2025

(Approx 14 weeks based on seasonal weather and course availability)

The Junior Membership privileges, established by Mickelson National Golf Club management, include (as available):

- Access to all practices MNGC facilities. This junior membership program is only for Mickelson National Golf Club and does not extend to other Windmill Group properties.

ACADEMICS ~ ATHLETICS ~ CHARACTER

- Golf course access as defined by junior membership rules, i.e. no Sat/Sun booking before 2pm
- Clubhouse & locker room access
- Personal member charging account privileges (with personal credit card on file set-up)
- Club storage service available on-site
- Edge Program Team players enrolled for fall 2026-26 have the option to continue membership from June 14 until the end of August 31. They must apply for the MNGC sponsored Junior program to join for the summer months to get the junior playing on course privileges and pay the difference for this time gap at \$400 plus GST. paid directly to MNGC.
- All players must fill out a registration form for all contact information. Edge Dir. of Golf and MNGC Head Professional will manage and maintain this list.
- Edge Team program players enrolled for fall 2025-26 retain outdoor practice facility access during the summer period (approx June 15 - Aug 30 annually) as available.
- LaunchPad facilities are **not** included in the membership.
- Edge players must wear their Edge School Golf program apparel at all times while on-site so that they can be identified by MNGC staff.
- Players must identify and check-in with Pro Shop at all times while on-site
- Edge players are not eligible for the Mickelson National junior club championship event unless they successfully apply in the standard Mickelson Academy Sponsored Junior program.
- Edge players can elect to participate in various Mickelson Academy programs during the summer season if desired to but are mandated to represent the Edge program at competitions as part of the program. There is a general understanding that players are not to be approached or enticed to join other programs without previously discussing it amongst all coaching staffs involved.
- Players are expected to be good examples of etiquette and general behaviour at all times. Incidents of significance will be dealt with immediately by both school and/or course staff and can potentially lead to loss of privileges without refund.
- A mandatory players and coaches meeting to be held annually to review and go over all rules, regulations, policies and expectations.

THE SEPTEMBER BACK-TO-SCHOOL PLAN...

September through Oct 15 (Thanksgiving) schedule and plans:

The basic structure of the program in-season times will be:

- Senior sport block (Grades 10-12) - 8:15am - 10:15am
- Intermediate sport block (Grades 8-9) - 10:15am - 12:15pm
- Junior sport block (grade 4-7), 1:15 - 3:15 pm
- Golf Team practices Tuesdays, Wednesdays, Thursdays - 3:30pm - 5pm, as scheduled
- Fitness training Mondays - Yoga or other activities 3:40pm - 4:45pm as scheduled
- No practice on Fridays after school.

Players will have the opportunity to play the Mickelson National GC (Jr. membership), Stewart Creek GC, Golden Golf Club (twice!) and our season finale for the fall season will be at Kananaskis.

All players still manage their independent schedules for tournament events that will take them all the way through mid-October before preparing to head off to one of two optional trip opportunities this fall.

Beyond the standard weekly sport block schedule this year, we have developed a very exciting fall schedule and plan. We will continue to use Mickelson National primarily as well as Springbank Links and Valley Ridge Golf Course for all practices. One of our core beliefs is that PLAYING and coaching on-course is truly the best practice. We will be elevating how much emphasis we put on course management and strategy this year in many different ways! We have scheduled a very exciting lineup of courses we will enjoy this fall that will be released with the final schedule.

Standard Trip Policies:

Player Expectations:

We have an expression that *“learning to travel is a life skill!”*.

We have high expectations for our players on the road including respectful personal behaviour at all times, being a good teammate to others, time management, being on time, personal & academic accountability and packing properly to prepare are all things they need to learn to become competent as a student athlete. We always aim to have fun on the road, but it takes everyone’s efforts to make sure trips are great experiences for all.

Note that further student-athlete expectations are outlined trip specific travel permission and risk acknowledgement forms.

Parent travel:

We enjoy having parents come on road trips. Any team parents wishing to travel alongside the group are always welcome but must arrange their own travel and transportation. As all golf trips are approved school trips, students are expected to stay, play and dine with the group so that they get the full team travel experience. Any exceptions to this must be approved by the Director of Golf.

Meals:

Please keep in mind whenever we travel on trips, the food/meals are **not** included unless specifically stated in trip plans.. Restaurants and meals options are planned out however players pay for their own meals on all trips to allow for specific menu and personal budget considerations. Players must carry cash, debit (does not work in the USA) or a major credit card to pay for meals. We recommend a basic budget of \$50/day is a very easy budget to go by for all trips (roughly \$10 breakfast, \$15 lunch, \$25 dinner per day) for all trips. If by chance a player has a payment emergency issue on the road otherwise, coaches can cover costs with a program card and invoice back post trip directly.

USD Exchange Rate fluctuation:

All optional trips to the USA are priced using the USD exchange rates at the time of planning. These generally range from \$1.40 - \$1.42 USA-CDN to include all associated banking fees to account for. Due to the instability of the Canadian dollar in the past year there may occasionally be times where we must do a “cash call” to adjust costs of things in the swing more than \$0.02+.. We will always strive to keep parents up to date if this will come into effect due to unforeseen and uncontrollable issues.

OPTIONAL TRIP #1

This exciting opportunity trip to the Niagara area to compete in the MJT National Tour Challenge event to play against players from across Canada and an international field.

***Prebooked for a team of 9 of our players (applied & qualified in 2024/25) maximum for the event.**

Event link: <https://www.maplejt.com/tour.php?id=2025053>

*Players must register directly for the tournament with MJT via website, link sent directly previously.

2025 FALL TEAM 2-DAY TRIP!

COLLEGE-PREP TEAM MATCH PLAY EVENTS

Tues Sept 23th ~ Thurs Sept 25th, 2025

This 3-day (2-night) trip is **included** in the full team golf program fees as the annual fall team trip for all players grade 8-12 (Varsity and College-Prep Teams). Golden Golf Club website. <https://golfgolden.com/>

Edge School vans will be available for those not traveling in private vehicles, so please let us know ASAP whether you will require a spot in the van, or will be driving in a private vehicle. Players taking other players in private vehicles **must** sign waiver forms in advance.

We will be playing a warm-up round on the way to Golden BC on Tuesday Sept 23. TBD. We will be playing Golden Golf Club, which is always in fantastic fall condition. All players will receive a choice of FootJoy Flex model golf shoes on Wednesday as part of the trip.

Hotel: Ramada Golden hotel, <https://www.ramadagolden.com/> . Breakfast included daily at the hotel.

*Special Teams Dinner @ Wolfs Den Restaurant private venue 6:45PM Wed Sept 24th is booked. \$30+tax and gratuity per player.

We will be playing a modified NCAA College Team play format vs NAX and 365Golf Team Programs. A separate email and message video with trip specific details and schedule to follow closer to the dates.

OPTIONAL TRIP #3

We are very excited to have guaranteed and secured 18 entry spots for the Future Champions Golf (FCG) 17th Annual Central Coast World Series @ Sandpiper Golf Club.

The Edge College Prep & Travel team with coaches Ryan Cater, Tom Schupp and Kurtis Foote will fly from YYC- LAX and then head out to the Santa Barbara, CA area, approximately 1 hr 45 min beautiful drive up the California coast.

This is a high level competition trip designed for players who are building their playing resumes coming into or near their recruiting years. It is intended to be the grand finale of the 2025 playing season for the players! Several NCAA coaches from various programs usually plan on attending this event.

This is the home course and facility of the UC Santa Barbara golf program. These events are great events for players to develop their competitive skills over multiple days on great venues. Opportunities to qualify for the AJGA and other events. All events are ranked by National Junior Golf Scoreboard and some are ranked by Golfweek.

OPTIONAL TRIP #4

We are in the process of developing a customized College Golf Experience Camp week that will happen in the greater Los Angeles area on the weekend of Nov 22-23.

Open to all players grade 8 -12, we can take 16 players total with 3 coaches. Players will have the major opportunity to show off their skills to end their 2025 competitive season plus get to network and learn directly from NCAA coaches. The camp will feature coaches from NCAA D1, D2 & D3 schools who are recruiting and interested in seeing Canadian and international players. The 2-day camp will feature skill stations and on-course engagement plus college golf informational seminar sessions.

The basic plan will be:

- Travel day on Thursday Nov 20.
- We will play golf locally on Friday Nov 21 to warm up for weekend camp
- The camp will run Saturday and Sunday and we will fly out to Calgary Sunday night.

Calgary-Los Angeles November 20-23 option 1: 19 seats on hold

OPTIONAL TRIP #5

ACADEMICS ~ ATHLETICS ~ CHARACTER

Edge School Golf Player & Parent Trip!

Wed February 11~Sunday February 15, 2026

This optional trip is the first time we are offering a mid-winter season escape to beautiful Palm Springs California! We are hoping to make this an annual offering going forward and we have had a huge response to the opportunity.

This is the chance for our players to actually play alongside and against their parents! We will be running the 3 days of golf as a fun mixed format tournament. Teams will be announced and paired and play with golf handicap indexes to keep it fun and competitive for all. Fun prizing included in the events.

- 2 player teams (1 player and 1 parent will share hotel accommodations together to keep it simple)
- Full hot breakfast is included at the hotel daily.

Flight seats reserved on Westjet: for **21 teams** (44 participants + 4 Edge staff).

Calgary-Palm Spring February 11-15 option 1 (48) *24 seats on hold + second batch of 24 seats*

OPTIONAL TRIP #6

This camp occurs during the Edge school calendar Spring Break weeks. We will join our partner academy MMG Performance featuring Coach Ian Mellor at West Orange Country Club!

It will feature daily 3 hour morning stationed practice sessions with instruction on all aspects of the game and then play 18 holes with coaches on-course in the afternoon at the private club for the week.

This camp week is open to all players age groups however is primarily aimed and designed for the younger ages group of grade 9 and under.

16 Players flight seats available or players can travel with their family as well.

- Families can travel independently earlier and take advantage of Disney world, Universal Orlando Resort and other attractions. Players can join the golf camp aspects billed separately.
- **Players Grade 7 and younger MUST have a parent or legal guardian chaperone on the trip.**
- Special hotel group rates and booking can be extended as well, contact Ryan Cater for more details.
- Breakfast is included daily at the hotel. Team dinner for some fun. (TBD - Will try to book the Kobe Japanese Restaurant to keep with tradition). Several restaurant options and nightly entertainment available all around the area.

Coaches / Chaperones / Van Drivers:

1. Ryan Cater
2. Thomas Schupp
3. Kurtis Foote

OPTIONAL TRIP #7

SUNDAY APRIL 19 - FRIDAY APRIL 24, 2025

After highly successful trips in the springs of 2022, 2023, 2024, 2025 we will be hosting the 5th annual Spring Training Camp week and returning to beautiful San Diego, California.

This season we have to run the camp again in the school calendar year since the official spring break falls the last week of March and the first week of April. We are taking advantage of this low point in the academic scheduling and using it to best prepare players for the 2026 season just before tournament competitions start. The results of this annual program have been outstanding to date and a huge part of our success as an academy.

Coaches: Ryan Cater, Tom Schupp, Kurtis Foote Katy Rutherford, Jason Kerswill

***DIRECT* WestJet Flight Itinerary:**

HOTEL: Ramada Cranbrook

<https://www.wyndhamhotels.com/ramada/cranbrook-british-columbia/ramada-cranbrook-bc/overview?CID=LC:wmcic5n98gs1q0r:2664&iata=00093796>

We will be playing golf rounds in match-play and/or team competitions against other academies at:

St. Eugene GC - <https://www.steugene.ca>

Wildstone GC - <https://www.wildstonegolf.com>

Bootleg Gap GC. - <https://www.bootleggapgolf.com>

All final details of this trip schedule will be available soon as they get finalized when courses start taking bookings for the 2026 season.

- Departure time Sunday May 3rd from Edge Campus - 6:30am, Travel time, approx. 4 hours.
- Return to campus target time, 9pm Tuesday May 5.

This is a tremendous opportunity for players to get their games tuned up as the Canadian tournament season begins! We will play 3 rounds of golf and 2 nights in hotel accommodations. These trips are also a great opportunity for teams to build camaraderie and for players to gain team travel experience!

FINAL BLUEPRINT NOTES:

- The daily golf program schedule will be available on the Edge School website and updated frequently as changes or updates occur.
 - Any changes will be communicated ASAP via player and parent group **WHATSAPP** chats starting in Sept. All documents are available by email upon request. It is the players responsibility to check group chats daily!
 - The updated schedule will also always be posted on paper in the golf room at all times plus be sent out via PDF to whatsapp chat groups.
 - Players and parents should always expect changes in the schedule during the school year. Being a weather based program, we have to monitor situations and make judgment calls on the fly. Winter season activities at Launchpad have a basic limit of -15C to be considered viable.
 - Players and parents should always watch the frequent 5-10 minute YouTube based video link updates sent out!
 - The 2025-26 Edge School Academic Calendar link:
https://edgeschool.com/wp-content/uploads/2025/04/Edge-Calendar_2025-26.pdf
-

Custom Equipment & Apparel Ordering

All Edge School golf team players can order golf equipment and apparel from Titleist and FootJoy throughout the year for their personal use and receive special player support pricing based on product availability. This program is only available to current players in the program.

Acushnet Canada is very generous in supporting our program and in return, players are incentivized and expected to wear the provided products at **ALL** school based events and in tournament competitions to represent the program.

Competitor brand logo's should not be seen or be minimized however players are not mandated to use any golf equipment.

See Dir. of Golf Ryan Cater for custom club fitting, ordering or for any other information.

TEAM RULES

GENERAL TEAM PROGRAM RULES, POLICIES & EXPECTATIONS OF PLAYERS:

- The Edge Golf program operates on a set annual budget based on the program fees for 2025-26 for all activities. If players are aware of any conflicts that will cause them to miss either the included Fall or Spring team 2-night trips then they must notify the Director of Golf prior to the season starting. Any scheduled golf activities (practice or on-course play) missed by players on their own accord or due to injury, unforeseen circumstances, weather or otherwise are non-refundable.
- **Academics always takes priority over golf activities (athletics).** All players must be in good standing academically to participate in the golf programming. Players will always be granted permission to miss golf to work on academics. Academic teachers can and will work with students to accommodate schedules but players will be required to fulfill academic work as required by teachers first. Players are always 100% responsible for making proper homework arrangements for trips and/or missed days of schools to attend events.
- All program players are expected to represent their team program in competitive events at all times. Use of their players' clothing package and golf bags are mandatory at all times unless players receive specialty equipment or apparel for specific representative events. Players participation points on tours such as MJT will count towards Edge Golf Academy standings throughout the year when/where applicable.
- Players are expected to attend all practices and game days. Daily attendance is taken and they must inform the coaching staff in advance if they are going to miss an activity. Missing activities can result in the school incurring unnecessary costs (ex. not using advanced booked stalls at LaunchPad) so proper notice must be given so changes can be made.
- Coaches are mandated to inform parents via phone, email, text, group chat and/or attendance system if players do not attend practices or any golf activity as scheduled. This is to ensure safety of all in case of school emergency such as fire alarms/drills or if the student cannot be located. Players must inform coaches if they will miss any scheduled activity as well as make their parents aware and sign in or out at the school office. We must know where you are at all times for safety.
- Mobile phone use is **100% strictly banned** during all practice, gym and on-course times. Players must ask any coach available to use their phone for emergency communication with parents only. Use of phones for video recording of swings with coach permission only but there will be ZERO tolerance on any use of it for any social media purposes during practice times. Penalties will scale from warnings (with push-ups penalties!) to full loss of practice time if players do not respect this rule. Phones should remain in golf bags out of sight, backpacks or vans at all times otherwise. Players with medical devices that are connected to their devices are exempt from this rule for that purpose. Parents are free to call or text coaches or the school directly at any time if they need to contact their player and we shall assist during practice time.

- Players must wear proper Edge golf logo'd attire at golf facilities and adhere to general dress codes of facilities. Proper golf wear provided in player's kits includes collared polo style shirts. Players should keep golf clothes and options at school to change into. T-shirts will not be allowed at golf facilities. Sweaters and weather gear are acceptable. This also extends to proper footwear and socks. Players not wearing proper golf or athletic running style shoes will not be allowed to participate. Sandals, flip flops or anything besides proper athletic shoes will not be allowed. No denim or ripped torn style clothing is permitted and the coaching staff will have the discretion to judge if clothing is golf appropriate, or not. ***Practice and dress like you play!***
- No hats or clothing brands that represent alcohol, satirical or controversial concepts. Represent your school and team program properly at all times. Anyone not respecting this rule will be not allowed to participate. All players are provided a top of the line players kit every season, there is no excuse to not have proper golf attire to wear to practice or play events. Players must wear Edge wear on all golf outings and can order extra pieces at wholesale pricing if required. ***Bottom line is simple: Dress for success, practice like you will play! Look Good → Feel Good → Play Good! Failing to plan is planning to fail!***
- Behavior on all golf outings and trips is expected to be respectful at all times. Rules, timelines and school policies are to be followed and will be enforced. Good etiquette is expected at facilities and players need to conduct themselves to a high standard. There will be zero tolerance for any form of misbehavior, including, use of foul language, poor manners, inappropriate joking, taunting / bullying / teasing, excessive noise or any behavior disruptive to others around them. Any player damaging any facility property or equipment will be 100% liable for damage recovery costs and subject to possible discipline and/or suspension of privileges.
- Players are always expected to be respectful and supportive towards their teammates, classmates, coaching staff, academic teachers and all facility staff at all times. Failure to follow this general basic expectation can result in players being disallowed to participate in activities, being sent home (including during trips) or potentially being removed from the golf program and/or school entirely.

EDGE GOLF TEAM LOCKER ROOM RULES:

The Golf Team room is an exclusive **privilege** to team players. Any player not respecting the room and its contents can and will have their locker privileges and access suspended at any time. A very simple and effective zero tolerance and/or 3-strike system will be enforced. The Edge School Golf Team program is a true "College Prep" design meant to have players experience what it will be like if they achieve their goal of playing at the next level. Players should act accordingly to this at all times and develop the habits required to get there. They need to learn that they are representing themselves, the school and their coaches at all times.

NEW! All golf team members will be assigned an ACADEMIC hallway locker and should use it daily for school related items. The golf room is ONLY for your golf equipment and required sport clothing.

Players cannot be in the room without a supervising staff member at any time, no exceptions.

The room can be accessed by team players anytime with a staff member however the following basic rules apply:

- No guests/friends or other Edge students from other sport programs allowed unsupervised at any time. Non-golf team program players are not allowed to use any equipment including the golf simulator or clubs without the permission of Dir. of Golf Ryan Cater or senior school management.
 - The Edge golf team room is under recorded high resolution and amplified audio video surveillance 24/7 on a 30-day cloud based loop.
 - Any damage to any equipment or assets will be the financial responsibility of the player.
 - Players may NOT use the room to study, they will use the Commons room to avoid distractions.
 - No eating food in the golf team room. Players must eat lunch in the cafeteria and cannot hang out in the golf room over lunch hours. They may use the room and features during spare times to study and are allowed to practice golf shots safely in the golf room with a staff member supervising.
 - Team members are 100% responsible for cleaning garbage at all times. Any spillage or mess left behind, the player(s) will receive a warning and be made to clean it immediately. Repeated issues and players can and will have their golf room privileges suspended.
 - Lockers must be kept tidy at all times. No placing of excess books, clothing, food, drink bottles or equipment on the tops of the lockers at any time.
 - Lockers should be locked to ensure the security of things at all times, especially expensive golf equipment. Players must provide their own padlock for the year. The school is not responsible for any lost or stolen equipment or belongings.
 - Absolutely no golf ball hitting or chipping in the room other than towards the simulator screen area when it is safe to do so. No intentional hitting of the padded roof. Proper putting practice is allowed as available. ***Failure to follow this simple rule will result in players losing golf room access entirely. Teammates are expected to regulate this with each other.**
 - No roughhousing or horseplay otherwise of any kind at any time.
 - Players will always respect the Dir. of Golf work desk area and that the golf room is also a private office space.
