## Performance-Enhancing Parent

Join us for our first parent information session of the year. Our very own Dr. Matt Brown will lead an engaging session focused on parenting young student-athletes. Drawing on his expertise, Dr. Brown will offer a window into the inner world of young athletes, sharing practical perspectives and strategies to help parents best support their children's athletic goals and dreams. He will also explore effective ways to navigate the mental and emotional ups and downs that naturally come with participating in sport.

The session will be on Monday, Jan. 26 at 7:00 PM in the Learning Commons.

## Year-End Fundraising Appeal – Thank You!

Thank you to everyone who donated to our December, year-end fundraising appeal. As a result of your generosity, we exceeded our goal and raised nearly \$27,000 to support our student-athletes. Your gifts allow our Youth Sports Therapy Clinic to purchase some much needed equipment to assist our student-athletes recovering from an injury. Additionally, many of you selected to contribute to our Endowment Fund and our Financial Aid program, both of these programs benefit current and future student-athletes. We appreciate your kindness and incredible support, which helps us continue to provide exceptional learning and training experiences for all Edge School student-athletes.

## Edge Charity Golf Classic

Join us on Friday, May 29, 2026 at Mickelson National Golf Club for this year's Edge Charity Golf Classic.
