High School Course Selection for 2026-27 (Grades 9 to 11 who are returning next year)

Course selection for senior high students for the 2026-27 school year will take place from April 21-23. This helps guide your child's course planning for the year ahead.

We encourage families to review the following resources together:

- [All Course Selection Information](#) – overview of the course selection process
- [High School Planning Guide](#) – a resource to support informed decision-making
- [Prerequisites for High School Courses at Edge](#) – outlines course requirements and progression

Please take time to discuss course options with your child, and ensure they bring the completed course selection form on their scheduled course selection day.

For questions or support with course planning, please join the Grade 9 Transition Meeting on April 15th, or connect with [Ms. Fridd](#).

Move Mountains Recap

Thank you to everyone who donated during Move Mountains. We raised nearly \$24,000 towards our goal of \$70,000 to build a new playground in our courtyard. While we did not reach our goal, we will be looking into a potential grant that may provide additional funding. We are very pleased to have had the most number of tickets sold for the pie throwing contest, as well as the most number of cash donations in the mountain team banks from our student-athletes. Huge congratulations to Makalu for coming in first place by raising the most amount of funds and having the highest number of donations – well done!
