Lockdown Drill

On Tuesday, April 21 at 11:30 AM, we will be having a lockdown drill at the school. While this is an important part of our schools emergency preparedness, we also know that this type of drill can cause anxiety to students and families so we want to make sure you are all informed that this will occur. The RCMP will be here with us at the school during the drill to assist us in ensuring the drill goes as planned and that all necessary steps are taken to ensure our school community is safe. Our staff will discuss the drill with students before the drill occurs.
