Celebrating Basketball Commitments for Fall 2026

We are proud to celebrate five basketball student-athletes who have officially announced their post-secondary commitments for the 2026/27 season, continuing their academic and athletic journeys at the next level.

Kadie Anderson – University of Lethbridge

Kadie joined Edge in her senior year following a provincial championship with Raymond and an impressive recovery from knee surgery. Her resilience, discipline, and work ethic stood out throughout her journey and set a strong example for those around her.

She played a key role in leading a young female prep program, competing against top-ranked international opposition and earning recognition as a PWBL All-Star while making an impact in the WNPA.

Zach Hawley – Brock University

Zach joined Edge for his Grade 12 year as an already established top guard in the country. As the season played out, he continued to raise the bar and was a standout performer for the male national team all season long. Zach is a tough, skilled guard who competes at a high level and brings a winning mindset every day. His spacing, shot readiness, defensive awareness, and a willingness to operate within whatever the game requires, made him a can't miss recruit for post-secondary programs.

Yasmin Kells – University of Calgary

In her senior year at Edge, Yasmin was a key contributor to the girls program, providing consistency and leadership on both ends of the floor. She played a vital role in the team's success throughout the season as an anchor offensively and defensively.

Aleks Popovic – University of Saskatchewan

Aleks joined Edge for his senior year after a strong high school career in Edmonton and quickly proved himself as a high-level competitor. After receiving multiple university opportunities across the country, he has chosen to continue his career under Coach Jamie with the Huskies.

Kian Tyson – Lake Superior State University

Kian joined Edge for his senior year from Saskatchewan and quickly established himself as a dynamic presence on the court. His elite athleticism and shot-making ability made him a consistent impact player and drew attention from programs across North America.

We are excited to see all of you continue your student-athlete journeys at the next level. Thank you for your contributions to Edge School and our basketball program. We wish all of you the best of luck in these next chapters.

Hockey Skill Academy – Danyluk, McCullough

There are a few highlights to share from hockey skill academy student-athletes:

Blake Danyluk delivered a championship-calibre performance, helping Team South Green capture gold at the Alberta Challenge. Competing against the province's top talent, Blake played a key role in her team's success.

Grayson McCullough put together an impressive run at the U11 Major Championship in the Premier Hockey League, helping his team earn a silver medal. Grayson's efforts on the blue line did not go unnoticed, as he was named his team's Top Defenceman and earned selection as a PHL All-Star.

These accomplishments reflect the continued growth within our hockey skill academy, as student-athletes translate daily development into success on the ice at competitive levels.

CHARACTER CORNER

April High-Five Award Spotlight

Our high-five award recognition has a monthly draw for all students who received a high five in that month. The winner of our April draw is Hunter McCain!

"Hunter went out of his way to help another older student (clean up) who dropped his lunch all over the cafeteria floor. Why I was impressed with Hunter, was that he wasn't sitting that close to the spillage, yet still noticed a student who could use the help. The students' own peers who were right there beside him did not help their friend until Hunter demonstrated what positive character and leadership looks like. This small act of kindness did not go unnoticed, and is a reminder that sometimes stepping up for others actually helps encourage others to step up as well. Thanks for making the cafeteria (and halls!) at Edge a better place to be." – Ms. Fournier

Jamieson, Lorenz Win NCAA Title, Lorenz Signs NHL Contract

Two national championships in four years for class of 2022 grad, Rieger Lorenz, and a 1st-time win for class of 2023 grad, Eric Jamieson, in his NCAA debut season. It was a storybook ending for Rieger in his senior year, as he scored the game-tying, game-swinging goal midway through the third period of Denver's 2-1 victory over Wisconsin in the Frozen Four Championship.

Jamieson was a really effective defenceman for Denver in his first year, being paired with Hobey Baker finalist Eric Pohlkamp on Denver's top pairing. Eric finished with 18 points (7 G, 11 A) in 43 games played in his freshman season and now has a trophy to his name.

Fresh off of his second NCAA Championship with the University of Denver, Rieger signed an NHL entry level contract with the Minnesota Wild.

A seven-year Mountaineer, Rieger starting playing on an Edge hockey team in 2018/19 for his U15 Prep season, leading the team with 25 assists and 36 points in 30 games. The Kootenay Ice would select the Calgary, AB forward in the fourth round, 68th overall at the 2019 WHL Draft.

He would return to Edge for the 2019/20 U18 Prep season, earning CSSHL Top Freshman Award honours after finishing second in league scoring with 78 points in 33 games.

Lorenz would join the Okotoks Oilers in 2020/21, recording 85 points in 60 games during the 2021/22 season as he was named to the AJHL (South) All-Rookie and All-Star Teams, the AJHL Rookie of the Year, CJHL Top Rookie, and the CJHL Top NHL Prospect.

At the conclusion of that impressive season the Wild would select Lorenz in the second round, 56th overall at the 2022 NHL Entry Draft.

In 2022/23 Lorenz joined the NCAA with the University of Denver, posting 9 points in 37 games as a Freshman. The following season he would be named to the NCAA (Championship) All-Tournament Team as he won his first National Championship with Denver. That season he would record 30 points in 44 games.

During the 2024/25 season he posted 20 points in 44 games with Denver. This past season he would record a career high 35 points in 43 games as he won his second National Championship with Denver. In the process, Lorenz would be named to the NCAA (Championship) All-Tournament Team and to the NCAA (NCHC) All-Tournament Team.

Congrats to both of you on the NCAA Championship and to Rieger on signing his NHL entry contract!
