

Edge School Cafeteria Information 2026–27

Cafeteria Hours

The Edge School Cafeteria is open Monday to Friday from **6:30 a.m. to 2:00 p.m.**

Please note:

- The cafeteria is closed on noon dismissal days and school holidays.
- Sharon McNeil will be available during New Parent Orientation on August 26 to assist families with purchasing and setting up ZipThru Cards.

Payment Options

We accept:

- Cash
- Debit
- Visa and Mastercard
- Apple Pay
- ZipThru Cards

Please note that U.S. bank cards do not typically work with our payment system.

What is a ZipThru Card?

A ZipThru Card is a reloadable cafeteria card that allows students to make purchases without carrying cash.

Benefits of a ZipThru Card:

- Faster service at snack and lunch times
- Convenient online reloading
- Helpful for students who occasionally forget their lunch
- Allows younger students to pre-order meals and snacks with payment automatically processed

For students in Grades 4–7, we strongly recommend a ZipThru Card.

Lunch and Snack Pre-Ordering (Grades 4–7)

Students in Grades 4–7 can pre-order their snack and lunch from their classroom each morning.

When using a ZipThru Card:

- Orders are automatically paid for through the card
- Students can pick up their food quickly
- Less time is spent waiting in line
- More time is available to eat and enjoy recess

Important Information for Parents

To ensure no child goes hungry, students with ZipThru Cards may be allowed to make purchases even if their balance falls below zero. If this occurs, parents will receive a reminder to add funds to the account.

Purchasing and Reloading a ZipThru Card

ZipThru Cards can be:

- Purchased directly at the cafeteria
- Purchased online as an e-certificate and exchanged for a physical card at the cafeteria

Once you receive your card:

1. Visit www.zipthru-card.ca
2. Select **My Account**
3. Click **Create Account**
4. Enter your information and register your card number
5. Add your preferred payment method

Parents can:

- Manually add funds at any time
- Set up automatic reloads

Tip: If using Auto Reload, we recommend setting the reload threshold to approximately **\$10** rather than \$0, as balances rarely reach exactly zero.

The minimum amount that can be added to a ZipThru Card at school is **\$20**.

Student-Athletes and Early Morning Breakfast

Students attending early morning practices can:

- Pre-order breakfast the evening before, or
- Arrange with Sharon in advance to have breakfast prepared and ready after practice

This helps students get to class on time while still having access to breakfast.
