Internet Safety Presentation (RSVP below)

As part of our ongoing commitment to the safety and well-being of our students, we are pleased to invite you to a special event focused on a topic that is more relevant than ever — Social Media and Online Safety.

On behalf of the Edge School Parent Council, here are the event details (more information attached):

What: Social Media and Online Safety Session with Paul Davis

Date: Thursday, October 22 (Edge School Learning Commons)

Time: 6:00-7:00 PM

In today's digital age, it is crucial for us to equip our student-athletes with the knowledge to guide them safely online. Paul Davis is a social media expert and will provide valuable insights into protecting our children from potential online risks while fostering positive digital habits.

Grade 7-12 students will be receiving a similar presentation during the day on Oct. 22 (which will be a 60 minute assembly schedule day). Grade 4-6 students will be shown a video piece from Paul to watch with their classmates.

If you are interested in attending our parent evening session, [please RSVP here.](#)

We would like to thank Edge School Parent Council for organizing this important event as we look for advice on how to help our children navigate the complexities of social media and online interactions.

Parent Fireside Chat – October 27 (RSVP Below)

As part of a new initiative this school year, we are introducing Parent Fireside Chats to create additional opportunities for families to connect directly with Edge School's administration.

Our first Fireside Chat will take place on Tuesday, October 27 at 8:00 AM. Parents are invited to join us for an informal conversation, ask questions, share feedback, and provide input on their Edge School experience.

Coffee and muffins will be provided! To help us plan accordingly, [we kindly ask that you RSVP here](#) if you plan to attend.

We look forward to connecting with you!

Alberta Education Transportation Funding to Parents – Deadline is October 31, 2026

As a reminder, the deadline to submit the Alberta Education Transportation Funding allowance application form is Oct. 31. Mike Stevens sent out full information about the process via email on Oct. 14, 2026.

Please follow-up with him directly if you need more information.

Remembrance Day Ceremony

Parents are welcome to join us for our Remembrance Day ceremony at Edge on Tuesday, Nov. 10. Our assembly will begin at 9:55 a.m. We ask all attending to please wear a poppy and formal dress.

Request for photos

For our Remembrance Day ceremony, we would like to honour members of the Edge community (or their family members/relatives) that have served or are serving in the military. If you'd like to share photos with us, please email them directly to Landon, lwesley@edgeschool.com. The photos we receive will be compiled into a collage and displayed on our presentation video before the ceremony. Thank you for helping us recognize our service men and women, past and present, and honouring the sacrifices that they make.

Request for trumpet or bagpipe player

As we prepare for our upcoming Remembrance Day ceremony at Edge School, we are looking for a trumpet or bagpipe player who would be willing to perform as part of our ceremony.

If you or someone you know within the Edge community has experience playing either instrument and would be interested in helping us honour those who have served and sacrificed, we would love to hear from you.

Please reach out to Lara MacNeil, lmacneil@edgeschool.com if you are interested or can help connect us with someone.
